Applied Mathematics and Computation addresses work at the interface between applied mathematics, numerical computation, and applications of systems...

Applied Mathematics and Computation - Journal - Elsevier

The following is a list of the most cited articles based on citations published in the last three years, according to CrossRef.

ZAMM - Journal of Applied Mathematics and Mechanics

Applied and Computational Mathematics (ACM) is an applied and computational mathematics journal of high quality, driven by the computational revolution and emphasizing innovative applied mathematics having potential for applicability and practicality. This journal is of interest to a wide audience of applied mathematicians and scientists concerned with the development of mathematical ...

Journal of Computational and Applied Mathematics

Pure and Applied Mathematics Journal (PAMJ) is a mathematical journal for publishing early, high-impact results in the areas of mathematics and computer science/informatics. The journal also emphasizes mathematical articles devoted to the mathematical treatment of questions arising in physics, chemistry, biology, engineering and all applied sciences.

Pure and Applied Mathematics Journal :: Science Publishing

The Applied Mathematics and Optimization Journal covers a broad range of mathematical methods in particular those that bridge with optimization and have some connection with applications.

Applied Mathematics & Optimization - incl. option to

Science and Education Publishing, publisher of open access journals in the scientific, technical and medical fields. Read full text articles or submit your research for publishing.

American Journal of Applied Mathematics and Statistics

Author: Nghiem Van Tuan¹, Nguyen Minh Ngoc², Tran Van Anh³, Do Thi Phuong Thao⁴
Date: September 27, 2018

If a binary operation is associative, repeated application of the operation produces the same result regardless how valid pairs of parenthesis are inserted in the expression. This is called the generalized associative law. For instance, a product of four elements may be written in five possible ways:
