Color charts with color index names and technical specifications for most of the top brands of professional artist paints and pigments.

Color Charts - Pigment Information on Colors and Paints

Information technology risk, or IT risk, IT-related risk, is a risk related to information technology. This relatively new term was developed as a result of an increasing awareness that information security is simply one facet of a multitude of risks that are relevant to IT and the real world processes it supports.

Risk - Wikipedia

This timeline provides chronological information about FDA activities and significant events related to opioids, including abuse and misuse. Included is a summary timeline of key events, followed ...
