

evidence based teaching pdf

Evidence based teaching strategies have a far larger effect on student results than others do. Discover the top ten, evidence based teaching strategies in this article.

Top 10 Evidence Based Teaching Strategies

Evidence-based education is an approach to all aspects of education—from policy-making to classroom practice—where that is based on randomized trials, as with the testing of new drugs in evidence-based medicine. When several of these studies are compared, and their conclusions combined, we get a meta-study or meta-analysis. This is significantly more reliable than the results of individual ...
