painting miniatures pdf

Indian paintings can be broadly classified as murals and miniatures. Murals are large works executed on the walls of solid structures, as in the Ajanta Caves and the Kailashnath temple. Miniature paintings are executed on a very small scale for books or albums on perishable material such as paper and cloth. The Palas of Bengal were the pioneers of miniature painting in India.

The word miniature, derived from the Latin verb *miniare* ("to colour with minium," a red lead) is a small illustration used to decorate an ancient or medieval illuminated manuscript; the simple illustrations of the early codices having been miniated or delineated with that pigment. The generally small scale of the medieval pictures has led secondly to an etymological confusion of the term with ...
