The Three-Fifths Compromise was a compromise reached among state delegates during the 1787 United States Constitutional Convention. Whether, and if so, how, slaves would be counted when determining a state's total population for legislative representation and taxing purposes was important, as this population number would then be used to determine the number of seats that the state would have in ...

Welcome to Dear Data Two This project was inspired by Dear-Data.com, a wonderful collaboration between Giorgia Lupi and Stefanie Posavec. We (Jeffrey Shaffer and Andy Kriebel) decided to follow in their footsteps and coincidentally, Andy moved from California to London, England. It is our intention to follow the original authors, week by week, creating our own visualizations on postcards, and ...
