The vast majority of comments I get on my blogs are about cholesterol and/or statins. I find myself saying the same things over and over again, so this post is the one that I now refer queries to – it should answer most of the worries that people seem to have.

### **Worried about cholesterol and/or statins – Zoë Harcombe**

While I was in South Africa, at the Professor Tim Noakes hearing, Familial Hypercholesterolemia (FH) came up both home and away. Back in the UK, a study was published by the Queen Mary University of London arguing that public health agencies should routinely test the cholesterol levels of infants (aged one to two years) alongside the administration of childhood vaccinations.

The Gamergate controversy stemmed from a harassment campaign conducted primarily through the use of the hashtag #GamerGate. The controversy centered on issues of sexism and progressivism in video game culture. Gamergate is used as a blanket term for the controversy as well as for the harassment campaign and actions of those participating in it. In August 2014, the harassment campaign targeted ...

This is a list of characters in the American remake version of the supernatural drama-comedy television series Being Human based on the British hit series of the same name. The series stars Sam Witwer, Sam Huntington, and Meaghan Rath as three twenty-something characters sharing a house in Boston, trying to live a normal social life, despite being a vampire, a werewolf, and a ghost respectively.
